I understand that my barn/building must be approved by the Ashtabula County Barn Quilt Trail Steering Committee before it will be deemed an official site on the Barn Quilt Trail. If selected, I hereby give my permission for my property to be photographed and used in any materials promoting the Barn Quilt Trail; I also acknowledge that my property may be visited and photographed by people and that the Steering Committee will have no control over the use of those photographs.

I am willing to display the barn quilt for a period of ten years and will assume responsibility for any necessary touch-ups to the barn quilt during that time and will maintain it in a publicly visible position. I acknowledge that it is my responsibility to seek any necessary zoning approval in the township where the barn quilt will be displayed. I will notify the Steering Committee if the barn quilt becomes damaged due to natural events (storm, tornado, etc.) and needs to be removed from the trail. I understand that the barn quilt belongs to me and that the Ashtabula County Barn Quilt Trail Steering Committee cannot be held liable for any damage to the building related to the placement or removal of a barn quilt on my property.
